

Automated Commerce Machine[®]

-  **Reduce Operating Costs**
-  **Generate "Untapped" Revenue**
-  **Increase Customer Convenience**
-  **Attract Recurring Customers**

Pay-Ease

, a financial processing company specializing in multi-functional kiosks, now offers an Automated Commerce Machine (ACM®) with a modular design ideal for retailers, municipalities and colleges/universities. The T-Series ACM is designed to accept and process: bill payments, money transfers, cell phone minute purchases and can issue prepaid cards.
