Parking violation payments simplified in Somerville, Mass.

• 19 Sep 2008

SOMERVILLE, Mass. — Parking violators in Somerville, Mass., can now pay parking violations at the Pay-Ease Automated Commerce Machine, located in the city's payment center.

According to a news release, the self-service kiosk eliminates waiting in line and provides a convenient, safe and secure payment transaction method. Once successful, the program will be expanded to additional locations.

"Providing customers with the ability to pay parking violations via cash, check or charge card at our terminals has enhanced the city's public image by providing more convenient payment options," said Marc Meisel, Pay-Ease chief executive.
